C&C International Group of Companies
1A Pierias Str., 144 51, Athens, GREECE
T: +30 210 68 89 130, F: +30 210 68 44 777
Conference e-mail: icmth-info@candc-group.com
Conference website: www.excellence-in-child-mentalhealth.org

Conference Highlights

• Outstanding international speakers presenting cutting edge scientific findings as they relate to clinical practice.
• Major Centers of Excellence represented by the invited chairs and speakers.
• Capped at 1,000 delegates to ensure maximum interaction and networking.
• The inaugural 1-day meeting in 2010 drew delegates from 17 countries. The 2011 edition is anticipated to attract a plethora of child mental health professionals from all over the world.
• Catering for practitioners from developing countries, with a number of bursaries granted, to enable a diverse range of practitioners to attend.
• Held in conjunction with the international Excellence in Paediatrics conference which attracts general paediatricians and general practitioners with an interest in child health, while also being of interest to specialist paediatricians.
• Delegates from both meetings have the opportunity to benefit from selected shared sessions.

Important Dates

Deadline for abstract submission 16 September 2011
Deadline for pre-registration period A 26 March 2011
Deadline for pre-registration period B 16 September 2011
Deadline for pre-registration period C 25 November 2011

Conference Venue

Istanbul Congress Centre
Habibe Mh. 34367, Istanbul, Turkey

International Scientific Committee

CUTTING EDGE TOPICS BY OUTSTANDING SPEAKERS

30 NOV - 3 DEC 2011

ISTANBUL, TURKEY
Dear Colleagues,

It is a pleasure to invite you to this year’s Excellence in Child Mental Health Conference that will be held 30 November - 3 December 2011 in Istanbul.

Following a successful one-day launch event in London in 2010, and the experience of previous Excellence in Child Mental Health Conferences in other medical specialties, including Excellence in Paediatrics, this is a unique opportunity for child mental health professionals, allied health professionals, community paediatricians with a specific interest in child mental health and clinical scientists to actively participate in a regular international forum. Join me to meet experts from the field, attend high quality sessions on updates in evidence-based practice, and exchange experiences on the latest developments in diagnostic issues, treatment and services for children, young people and their families.

We are currently preparing an exciting programme with the Scientific Advisory Board and the International Scientific Committee that will involve high quality speakers across three themes (disorders, interventions and services). The variety of sessions will use innovative and interactive teaching techniques through round tables, symposia, clinical conferences, workshops, debates, clinical guidelines, current issues, and plenary lectures. The overarching objective will be to improve practice by combining clinical innovation with research evidence. Selected presentations by young clinicians and poster presentations on a wide range of topics will encourage the incorporation of new ideas in a dynamic and friendly learning environment.

I look forward to meeting you in Istanbul!

Warm regards,

Professor Panos Vostanis, MB BS, MD, FRCPsych
Professor of Child and Adolescent Psychiatry
University of Leicester
United Kingdom

---

**Scientific Programme**

The scientific programme of Excellence in Child Mental Health covers a range of topics on the following thematic streams:

1. **Child Mental Health Disorders**
2. **Child Mental Health Interventions**
3. **Child Mental Health Services**

The variety of sessions will use innovative and interactive teaching techniques through:

- Plenary Lectures & Plenary Sessions
- Parallel Lectures
- Symposia & Clinical Symposia
- Round Tables
- Clinical case conference
- Guidelines
- Current Issues
- Challenge the Expert Sessions
- Clinical Problems in “…….” Sessions
- Debates
- Workshops

---

**Who should attend**

Primarily addressing child mental health professionals (fully qualified and trainees), allied health professionals (nurses, social workers, psychologists), community paediatricians with a specific interest in child mental health and clinical scientists who wish to benefit from an up to date overview of the latest developments in child mental health.

---

**Scientific Advisory Board**

**Chair**

**Panos Vostanis**
Professor of Child Psychiatry, University of Leicester, Greenwood Institute of Child Health, Leicester, UK

**Members**

- **Elena Garralda**
  Professor of Child and Adolescent Psychiatry, Imperial College London, St. Mary’s Campus, London, UK
- **Helmut Remschmidt**
  Professor Emeritus, Head of the Department of Child and Adolescent Psychiatry, Philipps-University, Marburg, Germany
- **Hans Steiner**
  Professor Emeritus of Psychiatry, Stanford University, School of Medicine, Stanford, California, USA
- **Frank Verhulst**
  Professor, Netherlands Institute for Health Sciences, Director, Child and Adolescent Psychiatry, Erasmus University and Sophia Children’s Hospital, Rotterdam, The Netherlands

**Host Country Committee**

**Chair**
